ARKLA Frontline lodging information.

To make reservations, please call Thomas Chapman at 479-736-2221 x304 or email him at tchapman@ozarkacademy.org.

Our lodging accommodations have a maximum occupancy of four people per room. Room types vary and may include:

- Regular dormitory rooms with a set of bunk beds permanently attached to the wall - \$50 per night
- Guest rooms with one queen-size bed - \$65 per night
- Guest rooms with one queen-size bed and one set of bunk beds - \$65 per night

Guests staying in a regular dormitory room will need to provide their own bedding, including sheets, blankets, and pillows, as well as their own towels and toiletries.

Check-in is between 2:00 p.m. and 9:00 p.m., and check-out is between 8:00 a.m. and 11:00 a.m. unless special arrangements have been made in advance. A \$10 key deposit will be collected at check-in and returned at check-out when the room key is returned.

To help us keep room rental rates as affordable as possible, we would greatly appreciate guests taking a few minutes before check-out to do some minor cleaning and leave the room in good condition.

For the safety and comfort of all of our guests, pets are not permitted in any dormitory rooms. We also ask that guests not use hot plates, toasters, or other electrical appliances intended for cooking or food preparation in the rooms.

Thank you for helping us care for our facilities and maintain a safe and comfortable environment for everyone staying on campus.

We hope you enjoy your stay at Ozark Adventist Academy. If you have any questions or need assistance during your visit, please feel free to contact us.
