It is designed to protect the youth from abuse and to protect the Seventh-day Adventist Church organization. This record becomes permanent and is the property of the Conference. It may be forwarded to another Conference should the applicant move. The information will be copied and sent to the local church for the pastor and program leaders to use in determining staff qualifications only if the individual is approved. When a local church requests information on an applicant, the Conference may not release any specifics and may respond only with "recommended," "not recommended," or "recommended with conditions noted." In the event of accusations against the applicant, opportunity should be given for response by the accused. This response also becomes a part of the record.

Personal Vehicle Usage Guidelines

Please provide a copy of this document to every potential driver.

Drivers must:

- Be at least 25 years of age
- Carry a minimum of \$100,000 per person/\$300,000 per occurrence limits of liability. (See *Section Y 29 20 3.b* for regular use insurance requirements.)
- Provide a copy of their driver's license and vehicle insurance. ONLY drivers with a good driving record (no more than two traffic citations and no at-fault accidents) will be allowed to operate a vehicle on behalf of the church.
- Submit a copy of the "Volunteer Staff Application Form" to the Conference Office
- Require occupants to wear seatbelts.
- Not engage in "distracted driving" (no cell phone, texting, eating, drinking, reading, navigation system adjustments, or boisterous children discipline while the vehicle is in motion).
- Not overload vehicles.
- Verify that the vehicle is in good working order (tires, wiper blades, all lights, etc.).

For long trips, ensure that there are sufficient drivers so that no one is required to drive more than three hours at a stretch.

If someone other than the owner will be driving the vehicle, obtain information on the owner's insurance (company name, policy number, and policy term) and give this information to the person who will be driving the vehicle. The driver will need this information if an accident occurs. Adventist Risk Management does not recommend the use of non-owned autos on approved events. If non-owned vehicles are used, however, adhere to the following guidelines: Adventist Risk Management's auto insurance policy provides coverage for non-owned vehicles on an excess basis. It is designed to protect the organization, not the vehicle owner. In the event of an accident, the vehicle owner must go to his/her insurance company first.

Make sure drivers understand that their personal auto insurance is "primary" and that his insurance is responsible for any damage done by the vehicle or to the vehicle. Agree with the owner or driver on who will be responsible for any comprehensive or collision deductibles that might apply to damage done to the borrowed vehicle.

Refer to the North American Division Working Policy, *Section S 60 31 Vehicle Insurance* and *Section Y 29 Automobile Policy*.

Every insurance policy contains limits, conditions, and exclusions. Read the policy carefully, because it may not respond to all claims for damage.

How to Use the Pathfinder Record Sheet

General Instructions: Print one “Pathfinder Record Sheet” for each person. For durability, make the copies on cardstock. Three-hole-punch the pages and keep them in a binder.

Account Records: Use the sheet to record fees owed and payments made, such as dues, events, uniforms, t-shirts, etc.. Does each Pathfinder have an “account” where they are saving for an upcoming camporee or mission trip? Split the Account Record chart and use the left side for general accounting and the right side as a savings account log.

Example Account Records for Brooklyn Smith										
Date	Description	+	-	Balance		Date	Description	+	-	Balance
8/15	Join fee \$85, 1st Payment\$30	30.00	85.00	-55.00		12/13	Payment	75.00		-30.00
11/01	TLT Conference Fee		50.00	-105.00		01/14	Paid \$80, Trip Fee \$50	80.00	50.00	0.00

Honors Earned: Each time a Pathfinder earns an honor, record it here. This makes your yearly patch ordering so much easier.

Other Achievements: Record noteworthy achievements your Pathfinder has made (Certificates, 2nd place at the Pinewood Derby competition, A honor roll, elected to serve as Jr. Deacon, etc). These achievements can be shared during investiture service.

Conference/Area Events Attended: Record conference events that a Pathfinder has attended such as Bible Bowl, Honor’s Festival, Camporees, or Teen Leadership Training Conferences.

General Records: For legal protection, it is a good idea to document anything special or out-of-the-ordinary that happens with your Pathfinders. This includes things such as behavior incidents, meeting with parents, injuries, peer-to-peer incidents, etc. Be sure to record dates, times, conversation highlights, individuals present, and the steps that were taken.

Why?: This information will be very handy when preparing for investiture. This information can also help staff make difficult decisions such as who earns the “Pathfinder Excellence Award” or “Pathfinder of the Year.”

How to Use Pathfinder Points Record

The purpose of the points system is to help each Pathfinder strive for excellence and refocus them on following the Pathfinder Law at any meeting or event attended. The points record can help you implement Positive Behavior Rewards in your club, which is key in managing behavior. Remember to spend more time praising positive behaviors and less time scolding and punishing. Human nature prompts us to want to please those in authority and to seek praise for our good works.

There are 8 point categories and each is based on the Pathfinder Law. Points categories and descriptions should be posted and well-known by your Pathfinders. **Award only 1 point per category per meeting or event.** (Exception: “Go on God’s Errands” & “Keep the Morning Watch” category; only if the person has participated in more than one worship service or service/mission project since the last time points were recorded). **Completing an honor is not point worthy.** The reward for completing an honor is a patch, not points. **If you don’t see something in the category description specifically, then it is not point worthy.**

Key	Category	Earn a Point By:
M	Keeping the <u>M</u> orning Watch	Participating In or Leading Out in Church Service or Club Worship
H	Doing my <u>H</u> onest Part	Helping Without Being Asked, Completing Assigned Tasks
B	Caring for my <u>B</u> ody	Being Neat, Clean, Safe, & in Proper Uniform
L	Keeping a <u>L</u> evel Eye	Making Good Decisions, Listening, Following Directions
C	Being <u>C</u> ourteous & Obedient	Treating Others With Respect, Arriving on Time
W	<u>W</u> alking Softly in the Sanctuary	Being Quiet, Attentive, and Reverent during Worship Times
S	Keeping a <u>S</u> ong in my Heart	Having a Good Attitude
G	Going on <u>G</u> od’s Errands	Participating in a Service/Mission/Evangelism Projects or Similar Activity

Example:

- Brooklyn arrived at the meeting on time and wearing her club t-shirt (+1, Be Courteous & Obedient; +1 Care for My Body).
- During worship, Brooklyn was quiet and attentive. (+1 Walk Softly in the Sanctuary)
- Brooklyn listened & followed all directions during her Investiture Achievement class (+1, Keep a Level Eye)
- Brooklyn also reported that she told the Children’s Story in church last Sabbath (+1, Keep the Morning Watch).
- Brooklyn’s unit counselor also noted that Brooklyn had a poor attitude when it was announced that the Ski trip had to be postponed due to bad weather (No Point, Keep a Song in my Heart Category).
- One of the staff members circled the C, B, W, L, and M on Brooklyn’s points record to note the categories in which she earned points; a total of +5. Before leaving the meeting Brooklyn’s counselor praised her for the positive points she accrued and had a brief conversation with her regarding the appropriate attitude to have when one is disappointed.

Example Points Records for Brooklyn Smith						
Date	Key	Total		Date	Key	Total
11/12	M H B L C W S G	5			M H B L C W S G	

Rewards: Human nature compels us to behave a certain way to either get something or avoid something. Brainstorm low cost rewards that will appeal to Pathfinders and serve as an incentive. **Due to the developmental stage of our Pathfinders, merely working toward achieving “Pathfinder of the Year” is rarely enough incentive to earn points.** Early adolescents have difficulty weighing current actions and choices with rewards that are so far in the future. **Consider giving smaller rewards more frequently or quarterly.** Examples: A quarterly drawing- Every 10 points is worth one entry in the drawing. Or, a prize store - Each point is converted to a “dollar” to spend on the items in the store.

How to Use “Path to Excellence” Quarterly Pathfinder Director’s Report

Purpose: The “Path to Excellence” quarterly director’s report is designed to specifically help the club director strive for excellence in their Pathfinder ministry. Keep in mind that this is a “*path*” to excellence, and achieving higher levels may feel difficult at first. Attaining excellence often happens slowly and requires a growth mindset.

What to do: Club directors should fill out the “Path to Excellence Director’s Report” once each quarter and submit it to the area coordinator before the designated time. Directors should review the report checklist often and keep a copy for their own records to mark things off as they are completed. Planning and staying on track is key.

Scoring: The Area Coordinator and director should schedule a yearly assessment meeting. Together the AC and the director will decide the rating that is deserved for each director. To help determine this, directors should come prepared with their completed checklists and evidence to validate their accomplishments. As Christian leaders, remember to maintain your integrity as you consider which level of accomplishment you have achieved.

Awarding: The final overall award level will be assigned by the Area Coordinator and a certificate will be issued to the director based on the following:

- **Gold Level Director:**
 - Quarterly reports were 100% completed with evidence to support all accomplishments.
 - All 4 quarterly reports were submitted on time.
 - More than 5 tasks from the activity list were completed each quarter including an “other” activity
- **Silver Level Director:**
 - Quarterly task checklist 90% completed with evidence to support all accomplishments.
 - At least 3 quarterly reports were submitted on time.
 - At Least 5 tasks from the activity list were completed each quarter.
- **Bronze Director:**
 - Quarterly task checklist at least 80% completed with evidence to support all accomplishments.
 - At least 2 quarterly reports were submitted on time.
 - At least 3 tasks from the activity list were completed each quarter.

**The first two tasks in Quarter 1 must be completed to score at any level.*

Quarter 1 - Due September 30

Pathfinder Annual Review Info

Purpose: Annual Reviews, formerly known as “formal inspections”, are designed to help the club strive for excellence and to help them refocus on core values yearly by assessing the Pathfinder Club’s ability to follow the Pathfinder Law. Pathfinders and staff should prepare and look forward to their review as a time to present their skills, highlight their accomplishments, and show their compliance. Directors should contact their Area Coordinator to schedule an annual review.

Scoring for Categories & Indicators: The categories on the review form are designed around the core values of Pathfinding, the Pathfinder Law. Each category is broken down into specific indicators. Each indicator will be scored from 1 to 3 (3 - Excellent 2 - Average 1 - Needs Improvement 0 - No Evidence). These scores will be added for an overall total. Awards will be presented based on the following:

Gold:	Excellent	60+ Points
Silver:	Average	55-59 Points
Bronze:	Satisfactory	50-54 Points
Participation Certificate:		49 Points or less

Presentations: Some indicators require a presentation. The purpose of this is to show that the club has an active and quality program by reporting accomplishments. Presentations should always be performed by the club members, not the staff, and should be simple but planned and rehearsed. Make use of this opportunity to help Pathfinders learn the valuable life skill of public speaking. Reviewers will determine the score for the presentation based on content and quality. Props, visual aids, and technology used in the presentations are welcome and encouraged.

Rewards: The reviewer should award the club a ribbon and certificate. Club directors should arrange for the club to be recognized in front of the church family and should plan ahead to offer incentives for their club to perform well.

“Path to Excellence” Area Coordinator’s Quarterly Report

NOTE TO DIRECTORS: *This document is only for area coordinators. It is included in this packet so you are aware of the duties and responsibilities of your area coordinator.*

Purpose: The area coordinator’s “Path to Excellence” quarterly report is designed specifically to help the area coordinator strive for excellence in their Pathfinder ministry. Keep in mind that this is a “*path*” to excellence, and achieving higher levels may feel difficult at first. Attaining excellence often happens slowly and requires a growth mindset.

Area coordinators should fill out the “Path to Excellence Director’s Report” once each quarter and submit it to the area coordinator before the designated time. AC’s should review the report checklist often and keep a copy for their own records to mark things off as they are completed. Planning and staying on track is key.

Scoring: The Area Coordinator and the conference director should schedule a yearly assessment meeting. Together the AC and the conference director will decide the rating that is deserved for each AC. To help determine this, AC’s should come prepared with their completed checklists and evidence to validate their accomplishments. As Christian leaders, remember to maintain your integrity as you consider which level of accomplishment you have achieved.

Awarding: The final overall award level will be assigned by the Conference Director and a certificate will be issued to the director based on the following:

- **Gold Level Area Coordinator:**
 - Quarterly reports were 100% completed with evidence to support all accomplishments.
 - All 4 quarterly reports were submitted on time.
 - More than 2 items from the “Visitation” checklist completed each quarter.
 - More than 1 from the “Activity” checklist completed each quarter
- **Silver Level Area Coordinator:**
 - Quarterly task checklist 90% completed with evidence to support all accomplishments.
 - At least 3 quarterly reports were submitted on time.
 - Minimum number of items from “Activity” & “Visitation” checklist completed each quarter
- **Bronze Area Coordinator:**
 - Quarterly task checklist 80% completed with evidence to support all accomplishments.
 - At least 2 reports were partially submitted on time.
 - At least 1 item from the “Visitation” checklist completed each quarter.
 - At least 3 items from the “Activity” checklist completed over the course of the year.
